ABOUT UNIVERSITY OF JAMMU

Established in 1969, the University of Jammu is a premier institution of repute and a hub of excellence in teaching and research in science and technology, social studies, humanities and emerging disciplines. The University of Jammu is a NAAC Accredited A+ grade University drawing faculty and students from all over the country who have brought many laurels and recognition at both National and International forum. Poonch Campus is one of offsite campuses of University of Jammu, established in the year 2008. Presently the Poonch Campus is running 2 years MSc.(Sericulture) Course.

ABOUT THE DEPARTMENT

The Department of Zoology, University of Jammu is one of the leading centers of teaching and research and was established in 1998 after the split of erstwhile Department of Bio-Sciences. The Department has 06 well equipped Research laboratories, Zoological Museum, Zoological Park and a library having number of books besides long list of Journals.

The Department faculty has been actively engaged in the research and has to its credit a number of Research Projects sponsored by various funding agencies viz. DST, CSIR, UGC, ICMR and J&K State Council of Science & Technology. The broad thrust areas of research include Fish & Fisheries, Limnology, Cytogenetics and Entomology and about 200 students have so far earned Ph.D degree in their respective fields.

ABOUT THE SEMINAR

The great variety of life forms on earth constitutes biodiversity and is essential for stabilization of ecosystem, protection of overall environmental quality for understanding intrinsic worth of all species on the earth. The importance of Biodiversity has long been recognized by environmentalists and ecologists. Presently it is under threat worldwide and its loss is a global crisis. Today, the different regions on the earth are facing ecosystem catastrophes and there is a rapid decline in the number of species worldwide and about one fourth of total number of species are likely to become extinct in coming few decades. Biological extinction has been a natural phenomenon in geological history but man's intervention has speeded up extinction all the more. The factors contributing to the loss of biodiversity include habitat destruction, overexploitation, pollution, introduction of alien species etc. Therefore, to face the growing challenges in biodiversity conservation and management, road map for achieving our goals should be drawn for future generations.

The Department of Zoology, University of Jammu proposes to hold a two day National seminar from December 20-21,2018 to address the impact of environmental changes on the faunal diversity and optimizing the resource usage for the present & preserving them for the future.

ADVISORY COMMITTEE

Prof. Manoj K. Dhar, Vice Chancellor, University of Jammu (Patron)
Prof. Keshav Sharma, Dean Academic Affairs, University of Jammu.
Prof. Jigar Mohd. Dean Research Studies, University of Jammu.

Dr. Meenakshi Kilam, Registrar, University of Jammu.
Prof. Geeta Sumbali, Dean Life Sciences, University of Jammu

Prof. Y.R. Malhotra, Former Vice Chancellor, University of Jammu

Prof. Neelima Gupta, Vice chancellor, Chhatrapati

Shahu Ji Maharaj University, Kanpur

Prof. M.K. Jyoti, University of Jammu

Prof. Baldev Sharma, University of Jammu

Prof. S.C. Gupta, University of Jammu

Prof. Kadambari Gupta, University of Jammu

Prof. K.K. Sharma, University of Jammu

Prof. D.N. Sahi, University of Jammu

Prof. N.K. Tripathi, University of Jammu

Prof. J.S. Tara, University of Jammu

Prof. B.D. Joshi, Gurukul Kangri University, Haridwar

Prof. A.K. Singh, University of Delhi

Prof. Neeta Sehgal, University of Delhi

Prof. S.C. Joshi, Rajasthan University, Jaipur

Prof. Rajneesh K. Sharma, Kurukshetra University, Kurukshetra

Prof. Fayaz Ahmed, Head, Department of Zoology, Kashmir University

Prof. D.C. Gautam, HP University, Shimla

Prof. Aneesh Dua, Guru Nanak Dev University, Amritsar

ORGANISING COMMITTEE

Prof. Seema Langer : Convenor

Prof. Vinod Sharma : Co-Convenor

(Director, Poonch Campus)

Prof. Roopma Gandotra

Dr. Sanjay Bhatia

Dr. Arti Sharma

Dr. Parvinder Kumar

Dr. Sarbjeet Kour

Dr. Rakesh K. Panjalyia

THEMATIC AREAS

- Terrestrial and aquatic biodiversity/ biology
- Biodiversity: Food security and livelihood
- Natural Resource Management
- Global change and environmental impact on biodiversity
- Economic and legal dimensions of sustainable development
- Environmental management and future action plan
- Use of geospatial tools in monitoring biodiversity and natural resources
- Ecosystem services and biodiversity valuation
- Genetic Diversity & Human Genetic disorders
- DNA barcoding and biodiversity conservation
- Sericulture : Mulberry Cultivation & Silk worm rearing

ABOUT JAMMU

Jammu city, the winter capital of J&K State, is situated at the foothills of Shivalik Mountain range. Also known as "City of temples", Jammu is located along the river Tawi at an altitude of 1030ft. The view of the dawn and dusk from Bhag-e-Bahu fort of this sacred city is simply enchanting. The city hosts some sacred temples of immense religious significance such as Bawewali Mata, Maha Maya Temple, Ranvishwar Temple, Raghunath Temple and Peer Kho cave which attract lakhs of devotees every year. Jammu is the gateway to the world famous Shri Mata Vaishno Devi Shrine situated in the lap of Trikuta Hills, 42kms. away from Jammu City. Other tourist destinations in the region include Patnitop-Sanasar hill stations and Surinsar-Mansar lakes.

ABSTRACT SUBMISSION & GUIDELINES

The participants are invited to submit abstract (300 words) in MS word on or before 30th November 2018 for Poster presentation via zoologyseminar2018@gmail.com The poster will be displayed on 109 x 90 cm board and best 3 will be awarded.

E-mail: zoologyseminar2018@gmail.com

Contact Nos. 0191-2457136, 9419195384, 9419131914

ACCOMMODATION

The accommodation for the participants will be provided in the University Guest House/Hostel on first come first serve basis. Otherwise it will be provided in the hotel on payment basis as per the following tariffs.

Yatri Niwas/Hotel : Rs. 800- Rs.2000 (approx.)
