

**Department of Botany**  
University of Jammu, Jammu - 180006

**Namrata Sharma**

No. JU/LMS/23/69

To

Date. 11/08/2023

All Heads/Directors of various teaching departments

Dear Colleagues,

I have been directed by Honorable Vice Chancellor to furnish the status of implementation of **LMS (Moodle)** in the University within the next three days.

As you may all know, the Moodle platform of the university became functional on April 10, 2023. As of now, 209 faculty ids have been created with inputs from all the teaching departments. All the faculty members were repeatedly requested to use this platform. **However, till date just 25 courses have been uploaded on this site by 20 teachers only.**

Vide this letter, I request you to kindly ensure that all faculty members of your department create any one course on this platform and use this site for uploading course material and assignments of at least one unit of any course being taught by them, preferably within next three days. Modalities/Queries, if any, for the same can be discussed with

- A) Dr. Ashok Sharma Mob. 9419106800  
B) Dr.N.Suresh Rao Mob 9149720729

You may also email at [namratadni@gmail.com](mailto:namratadni@gmail.com), for any issues/queries.

  
Namrata Sharma  
Convener JU-LMS
