Hands on Training-cum-Workshop  
For Faculty Members

on

**Capacity Building in  
Molecular Taxonomy**

February 05-10, 2024

Organized by

**DEPARTMENT OF BOTANY**

*in collaboration with MMTTC*

**(Under RUSA-II)**

**University of Jammu, Jammu**

**(NAAC A+ Accredited)**

**Jammu and Kashmir**

**India, 180 006**

## **UNIVERSITY OF JAMMU**

University of Jammu (JU) was constituted in 1969, vide Jammu and Kashmir Universities Act 1969. Presently the University is NAAC A+ accredited with NIRF ranking of 63 at the National Level.

## **DEPARTMENT OF BOTANY**

Department of Botany came into independent existence in 1998 from the erstwhile Department of Bio-sciences, University of Jammu. Since its creation, the department has excelled in teaching and research both at the UT and National levels. Comprehensive research endeavors in areas such as plant pathology, mycology, cytogenetics, plant reproductive and molecular biology, plant stress physiology, ecology, mushroom prospection and biodiversity conservation have made this department a centre of prominence. It is generously funded by several National and International agencies *viz.*, UGC-SAP DRS-I, DRS-II, DST, CSIR, GBPIHED, MOEFCC, DBT, FAO, NMHS, JKSTIC and others. It has infrastructural assets like research laboratories and advanced instrumentation facility; BGCI recognized Botanical garden and internationally recognized herbarium-cum-museum. It is also providing skill based training programmes to improve the life skills and earnings of the people of Jammu and Kashmir. The Department takes pride in the placement of its students and scholars at several key positions of the UT of J&K and Pan India.

## **INVITATION**

It gives us immense pleasure in announcing and inviting you to Week long Hands on Training-cum-workshop on “Capacity building in Molecular Taxonomy” under RUSA-II from February 5-10, 2024 in Department of Botany, University of Jammu.

## **TRAVEL AND ACCOMMODATION**

Jammu, the City of Temples, is well connected by air, train and road to all the important cities and towns of India. It is famous for the revered holy shrine of Shri Mata Vaishno Devi and many other great temples and places of heritage. The weather condition in February is pleasant, however, light woollens are required. Participants are requested to make their own arrangements for travel. Accommodation can be arranged in guest houses, SMVD shrine board facility and hotels on request and payment basis for only those delegates who confirm their participation through registration on or before January 25, 2024.
