

Visit to Jammu University

HGS Jammu Class XII students visited Department of Physics and Electronics, Jammu University on 26th of July, 2022. A total of 25 students from science stream and two faculty members visited there. The main objective of the visit was to make the young minds aware about the recent research activities, career opportunities and showcasing the infrastructure and equipment's of labotary and research labs. The event was coordinated by Prof. Parveen lehana (Head of the Department), Prof. Rakesh Vaid and Prof. Susheel Sharma

The session was keenly listened by students which help them to raise question and know the answers from the resource person.

Lab visits and simultaneous experiment demonstration was carried just after the lectures which makes the students highly interactive. The refreshment was also arranged by the department. Overall session was very effective and helpful for the participants.
