

Tawi Festival: Showcasing the Cultural Legacy of Jammu Region.

The annual 'Tawi Festival' was held from March 1st to 4th, 2024, Centred on the banks of the river Tawi flowing through Jammu city, the event showcased the region's vibrant cultural legacy through arts, cuisine, literature and folk traditions and how river Tawi has been the centre for much of activity in the Jammu region.

On behalf of the Department of History, University of Jammu, there was also participation shown by the students as well as the scholars in the said festival. It was a great endeavour as the students got an opportunity to give a narrative of the River Tawi through ages under the Guidance of Prof. Suman Jamwal who presented a detailed historical account of the Tawi. This experience of the students gave them much confidence about speaking on a public platform and also enriched their knowledge about the region's history and culture. It was indeed a wholesome participation and learning experience.
