

## BEST PRACTICES

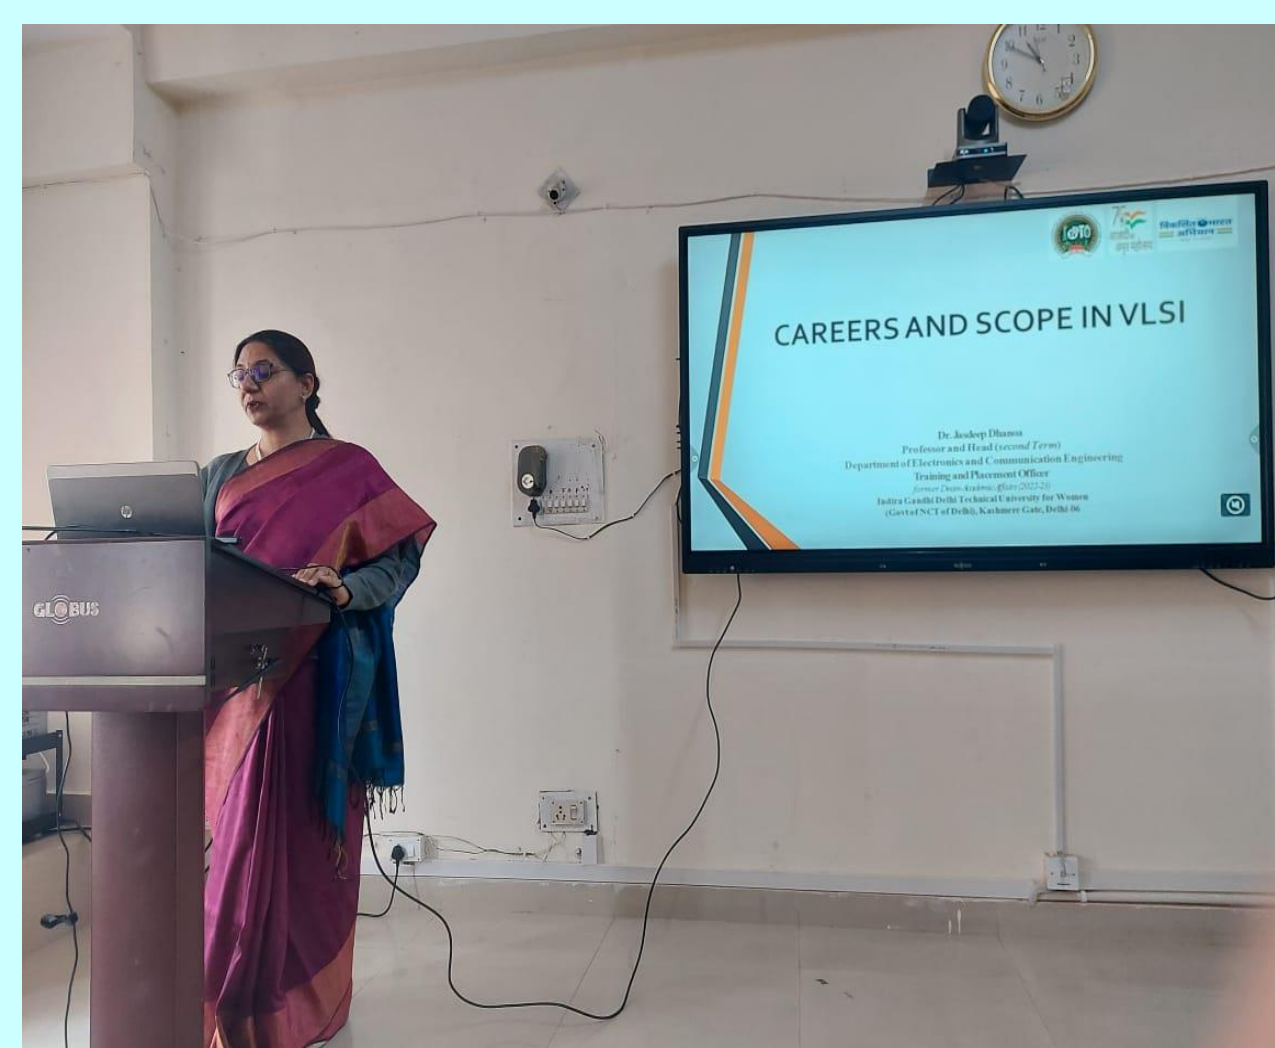

### INDUSTRIAL TRAINING

Industrial training is a part of the M.Sc. curriculum. At the end of the second semester during summer break students of M.Sc. Program has to undergo 3 week industrial training at reputed institutes outside the UT. Some of the institute where students visit during industrial training are NITTTR Chandigarh, SCL Mohali, CEERI Pilani, BSNL Training Institute BRBRAIT Jabalpur, Radio Communication institute Jodhpur, NIELITS, Jammu etc. Based on the Industrial Training students have been able to secure Jobs in Corporate sector.

### GUEST LECTURES/INVITED TALKS

The Department of Electronics organises Guest Lectures/ invited talks on routine basis so as to give exposure to the students of M.Sc. Electronics as well as to the research scholars of the department so as to give exposure to them regarding latest trends as well as advances in the fields of science and technology which will enable them to get updated and it will further help them to select their future endeavours after completing their respective courses.
